RE: Public Repository, Central Wire, Illinois Plant
 6509 Olson Road
 Union, Illinois 60180
 EPA ID # IL05 178 975, Administrative Order on Consent (AOC)
 Docket No. R8H-5-99-008

Dear Mr. Ruopp:

The United States Environmental Protection Agency is requiring Central Wire to establish a publicly accessible repository or website for information regarding Facility activities and conduct public outreach and involvement activities as requested by EPA. The repository can be located at a local public building such as a town hall or library. The records required are: general correspondence and public participation records, all permitting related records, corrective action, enforcement orders, imagery, special video studies, maps, and photos, and risk assessments-human and ecological.

If you have any questions regarding this letter, please contact me, at 312-353-1243 or nordine.john@epa.gov.

Sincerely,

A handwritten signature in black ink, reading "John A. Nordine". The signature is fluid and cursive, with a long horizontal stroke extending from the end of the name.

John A. Nordine, Geologist
Remediation Branch
Land, Chemicals and Redevelopment Division
